Chairman’s Report
Mr. Romano thanked fellow council member Benro Ogunyipe for serving as vice chair, Rabia Belt for chairing the governance committee and Billy Altom for serving as finance chair and now will be serving as the chair for the governance committee.

Mr. Romano stated that he has asked council members to rotate chairing various positions to have a better understanding of the overall functions of the Council. They are as follows:

Jim Brett – Vice Chair
Billy Altom – Governance Representative
Wendy Harbour – Financial Representative

Mr. Romano added that he’s decided to create an ad hoc committee which will be co-chaired by Rabia Belt and Andres Gallegos will ensure that the Council continue to have successes we have had with a better representation of people with minorities of our community.

Mr. Romano reported the following:

- Bioethics report is a success with positive feedback from HHS, Capitol Hill and people outside of government;
- ADA 30th Anniversary celebration scheduled for July 26th at the Kennedy Center;
- Visit to Spain to organization called Once the premier disability organization in Europe;
- The Council has engaged the Henry Shrine Foundation about educating American doctors and dentists about their responsibilities under the ADA;
- The medical community has agreed to work with NCD though an MOU;
- NCD will review materials from the medical community and goal is for NCD to communicate to the medical professionals in the US and Canada;
- Progress within the dental community regarding care for people with intellectual disabilities;
- Finalized tour on 14c
Executive Director's Report
Ms. Grubb reported the following:
- Recognized staff for their hard work;
- Ms. Durocher and the policy team for the work on the bioethics report;
- Progress report with focus on employment;
- Finalization of the Dearborn Medical Equipment Project;
- Audit completion with no deficiencies;
- Chair to appoint subgroups for ADA event (programming and outreach)

Finance Report
Mr. Keith Woods reported that the Council’s current budget stands at $3,350,000 which includes $100,000 increase currently though December 31. Mr. Woods stated the following:
- Update of funds raised for ADA event;
- $218,000 budgeted for research projects;
- $100,000 for cybersecurity

MOTION: Wendy Harbour moved to accept the Finance Committee Report.

Legislative Report
Ms. Anne Sommers reported the following:
• Expected new hire mid-February;
Quarterly Meeting  
January 27, 2020  
Teleconference

- Jim Brett’s placement of 2 op-eds since NCD’s last meeting;
- International disability rights and accessible voting recommendations;
- Three briefings on bioethics;
- Series of outreach activities since August Council meeting;
- Congressional briefing on assistive suicide;
- Convened an interagency meeting on ABLE;
- Stakeholders meeting at the request of two hill offices regarding single use plastic bans

Mary Lamielle, Executive Director, National Center for Environmental Health Strategies, Inc.
Ms. Lamielle spoke on various issues that affect those with environmental sensitivities they were as follows:
- Spoke on the nature of one’s disability;
- Importance of healthy indoor environmental quality;
- Review of federal recognition of chemical intolerances and recommendations for actions;
- Electrical hypersensitivity reacting to electromagnetic fields from devices and frequencies (i.e. electrical appliances, cordless phones, cell phones, Smart Phones, meters);
- Chemical and fragrances intolerances;

Ms. Lamielle supports someone with expertise on environmental illness and intolerance to the Council and for it to be addressed in its progress report in consultation with members of the community and propose, support legislative initiative in consultation with members of our community.

Roger Severino, Director of the Office for Civil Rights (OCR), U.S. Department of Health and Human Services
Mr. Severino stated this the department is alignment with the initiatives of the Council. He stated that his office has gotten involved with Oregon who has agreed to change their policies instruments such as IQ test which were found discriminatory against people with disabilities telling them they are not worthy to be parents because they are disabled.

Mr. Severino stated that the Council’s reports is the data and arguments which has empowered the OCR to do its work to help people with disabilities. He stated that OCR will be conducting outreach and will work with the Council to get the word out about the Council’s reports and what OCR can do.

**MOTION:** Billy Altom asked for a motion to adjourn the meeting.
